PRAY FOR PEOPLE WHO ARE INFECTED WITH COVID-19 OR FACING QUARANTINE.

Jesus, during Your ministry on Earth You showed Your power and caring by healing people of all ages and stations of life from physical, mental, and spiritual ailments. Be present now to people who need Your loving touch because of COVID-19. May they feel Your power of healing through the care of doctors and nurses.

Take away the fear, anxiety, and feelings of isolation from people receiving treatment or under quarantine. Give them a sense of purpose in pursuing health and protecting others from exposure to the disease. Protect their families and friends and bring peace to all who love them.

Grant this through Christ Our Lord. Amen

FACE COVERINGS The Church leaders, including Archbishop Eamon Martin, following recent consultations with public health authorities, are formally recommending and encouraging the use of face coverings at all Masses and other liturgical celebrations, along with the ongoing maintenance of 2 metre physical distancing, from Sunday 30th August 2020, and earlier if practicable. It should however be noted that some people are exempt from the wearing of face coverings, as outlined in public health agency guidance: <https://www.nidirect.gov.uk/articles/coronavirus-covid-19-face-coverings>

STEWARDS Since there is a reduction of seating to **45 Max capacity** the parish invites a number of people to act as stewards to accompany massgoers to their seat. If you could volunteer to act as a steward, please give your name to Fr White.
