Archbishop Eamon Martin, Archbishop of Armagh and Primate of All Ireland has called for **FAMILY ROSARY CRUSADE AGAINST COVID 19** during the month of October.

“I invite families all over Ireland to pray the Rosary together at home each day for God's protection during this time of Coronavirus.

“These past six months have reminded us of the importance of the “domestic Church” – the Church of the sitting room and kitchen – the Church that meets every time a family stands or kneels down, or sits down to pray together!

“It has also helped us realise how important is the vocation of parents to be the primary teachers and leaders of their children in faith and prayer.

That is why I am calling for a “Family Rosary Crusade against Covid-19” during October – encouraging you to pray the Rosary, or even a decade of the Rosary, each day during the month of October. Pray for your own family and loved ones and for all those whose health or livelihood is being seriously impacted by the coronavirus crisis.”

Day for Life prayer

Holy Mary, Mother of Love,
holding in your arms, the fruit of your womb,
graciously look upon our earth and remove from it
all that hardens our hearts and dims our eyes
to the preciousness of human life,
from the moment of conception to natural death.

Through the example of your tenderness
teach us the ways of compassion and love
that we may build up the civilisation of love among us
and a society that is truly worthy of the human person.

Help us to reject all that contributes to a culture of death,
and to work with others of goodwill
in promoting the culture of life.

Bring us ever closer to your Son,
so that we may know the fullness of life that he offers us
and come to know that life more perfectly,
with you, and all the angels and saints,
in the eternal life of Heaven.
